12:09:06 PM	Johnny Blackbeard 759787552	<i>So, don't...don't anybody lose hope in this. We knew there were gonna be trouble and struggles the first time, this is our first exercise out, and I'm down, Noble Beard's down, Aaron is down, uh, we're, you know, Henry boy is, is technically down, uh, we have a skeleton crew there, uh, trying to do leadership and marketing at the same time and uh, listen we'll get this right, hang tight, try to stay tight, you guys know what the original intent was, stick to the intent of the plan, do your best to follow the lead of the boots on the ground, that's gonna be, uh, uh, Rufio, do your best, and, uh, we'll have an, an after action report session, we'll talk about what went well, what didn't go so well, and we'll make adjustments for the next time. This is gonna be an iterative thing...so, keep your head up, and, uh, do your best, have a good time.</i>

Time	Name	Message
12:16:29 PM	Johnny Blackbeard 759787552	<i>I know some of the guys are, they seem to be a little upset but, what I'm hearing is, uh, the Ministry is together – uh, maybe not exactly as we initially planned, but I think Rufio, Joe, and Zach are doing the best they can with the cards that they were dealt. We need to do the AAR and, uh, let the guys speak, and uh they can talk about what went well and what didn't go well, and, uh, we can make adjustments for the next time. And then, make sure they understand, you know, this was the first one. Uh, we had quite a fucking hiccup thrown in, um, with Enrique being arrested, me being down, Jeremy being down, Aaron not being able to make it, uh-- I think Yut is on the ground as well, I didn't mean to leave you out of there, Yut. You guys are doing the best you can with the situation that you have, so, let's just do the AAR and pivot next time, I guess.</i>
